#### The American University of Paris (Paris, France)

The American University of Paris (AUP) is an urban, independent, international university located in the 7th arrondissement of Paris, France. AUP boasts that it breaks students out of their comfort zone, lets them step beyond conventional knowledge, and discover their passions. The global liberal arts curriculum provides students with a strong foundation that supports critical thinking and practical application. AUP offers 26 majors and 39 minors in areas like computer science, fine arts, global communications, international business, and quantitative environmental science. AUP lies at the center of Paris' most culturally diverse neighborhoods, which put you steps away from the bustling, cosmopolitan city filled with art, culture, cuisine, and history. Given the global environment of AUP, students are encouraged to do additional study abroad programs in South Africa, Egypt, Hong Kong, or Norway.
