College Corner Bellarmine University (Louisville, Kentucky)

Bellarmine University is a vibrant community of educational excellence and ethical awareness that consistently ranks among the nation's best colleges and universities. Its students pursue an education based in the liberal arts—and in the distinguished, inclusive Catholic tradition of educational excellence, the oldest and most rewarding in the western world. It is a lifelong education, worthy of the university's namesake, Saint Robert Bellarmine, and of his invitation to each of us to learn and live *in veritatis amore* – in the love of all that is beautiful, true, and good in life. The school promotes academic inquiry rooted in the liberal arts tradition—critical thinking, communication, collaboration, creativity, and compassion—with an expectation of excellence.

Bellarmine is growing rapidly, not only with great new campus amenities and academic programs, but also in regional and national prominence. More and more people are adding Bellarmine to their lists of top schools. They say "BELL-er-mun" in "LOU-a-vuhl," and, known as one of the friendliest campuses and places in the world, those at Bellarmine will love you no matter how you pronounce them!
